ROSEMARIE MINER

mouse,
well, the
Years have come
+ gone and I'm glad
we're still friends. I'm glad
we'll be so close in college
so I won't be so lonely. Take care
and don't forget to call over the
summer.

Love
Mike

Rose,
I'm not in love so
I'll sign it on the front
Please read: "You like a chipmunk"

Rose,

Well, this is it. I had
fun these past four years
busting on you. I hope
you did too. Good luck
next year. I hope every-
thing turns out all right for
you next year.

Love,
Andy Zar

Rose,
To a very nice
girl and one of
the more friendlier
ones. Good luck in
your future whatever
path you choose.

Jeff

Rose,
I'm really glad I
got to know this year--
you're so sweet and
funny. Remember all
the fun times we had
in cheerleading and on
the bus too. Have fun
over the summer + stay
out of Trouble (Ha, Ha)
We're gonna have to go
over to Stodgells this
summer & have a party.

Love Always,
Sarah

Rose,
Have a good life,
the best dance partner
ever. Have a good summer.
Maybe see you at Spac.

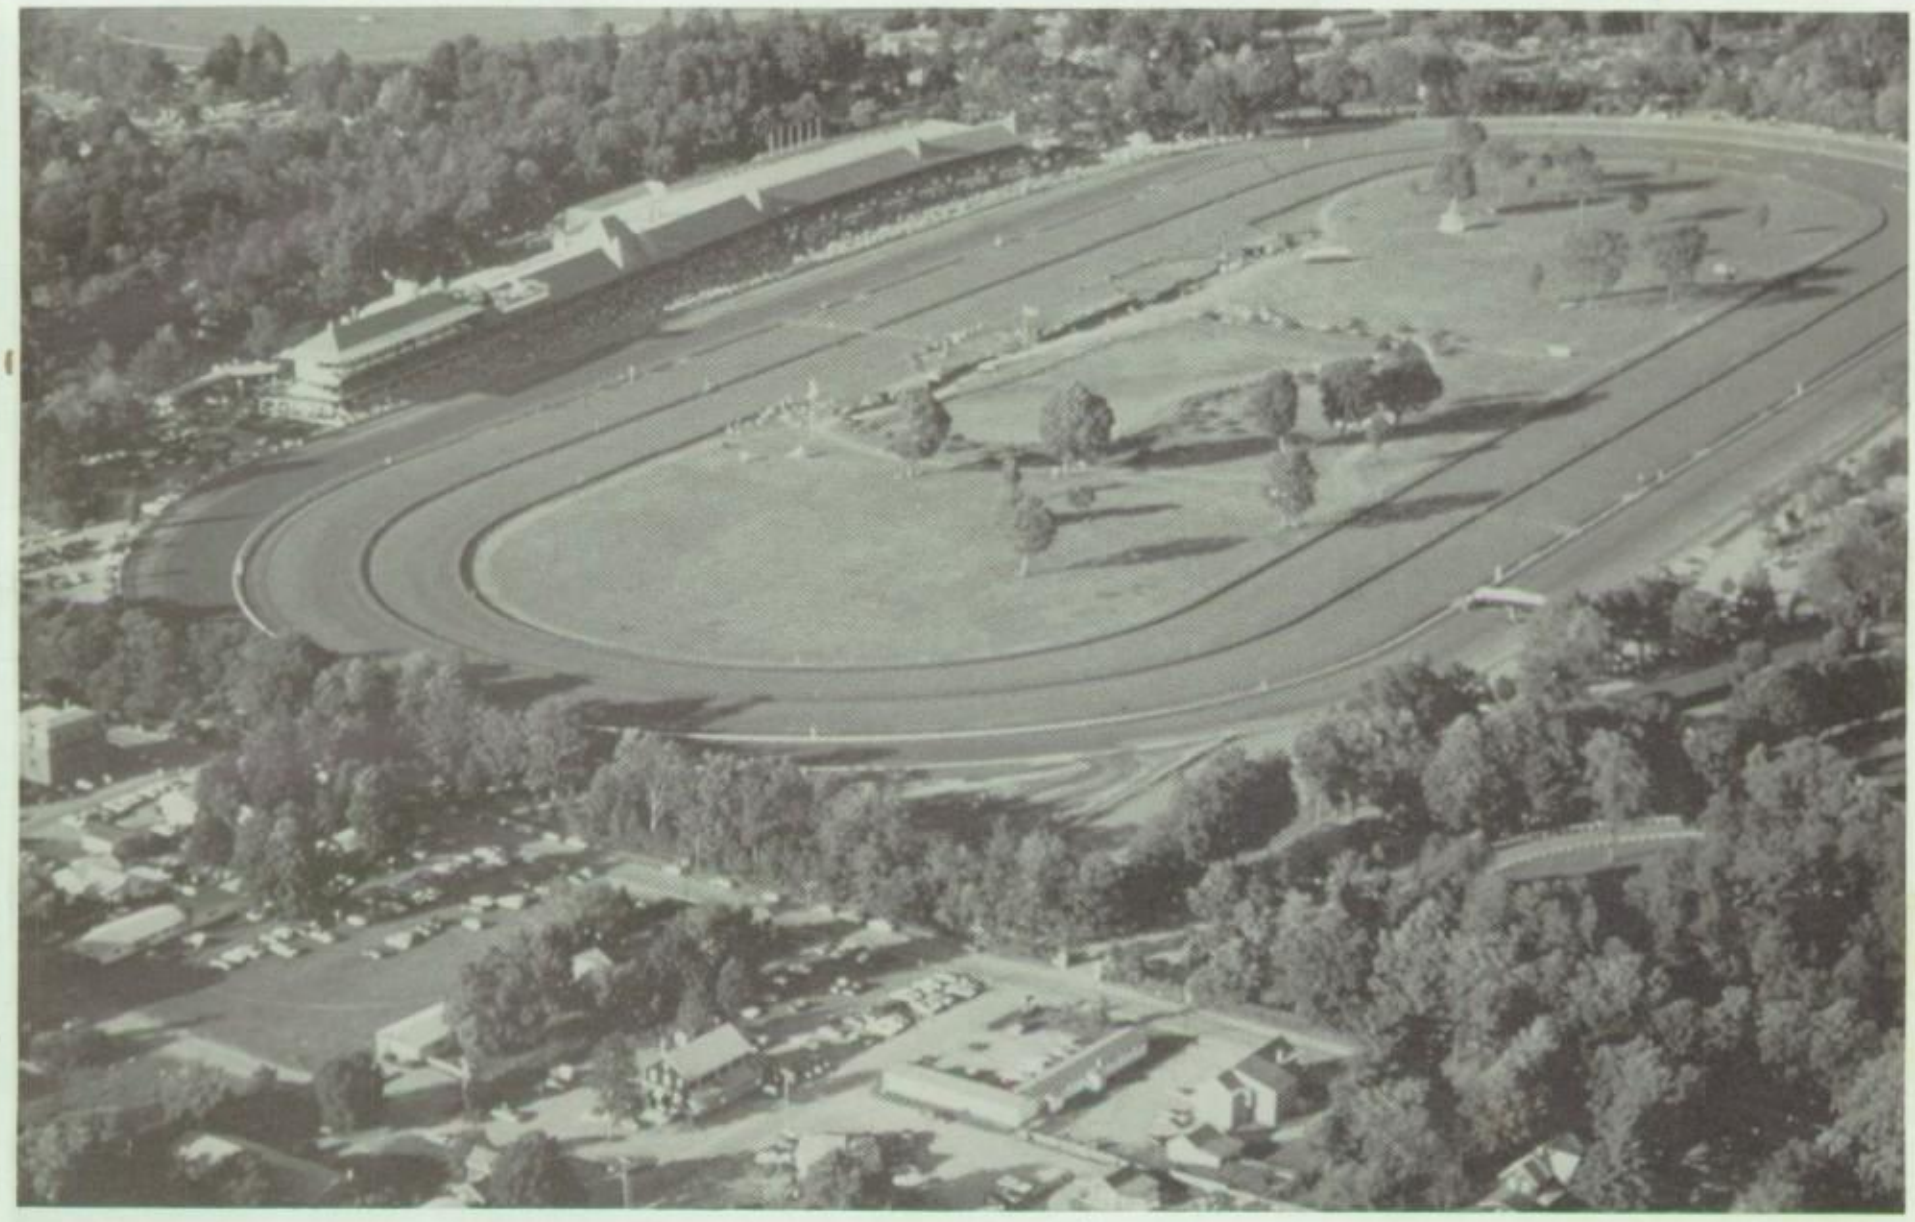
IN A CITY THAT IS CHANGING



Rose,
To a very sweet person. Stay cool And have a great Summer. This year has been the best of all And there is going more. Stay out of trouble

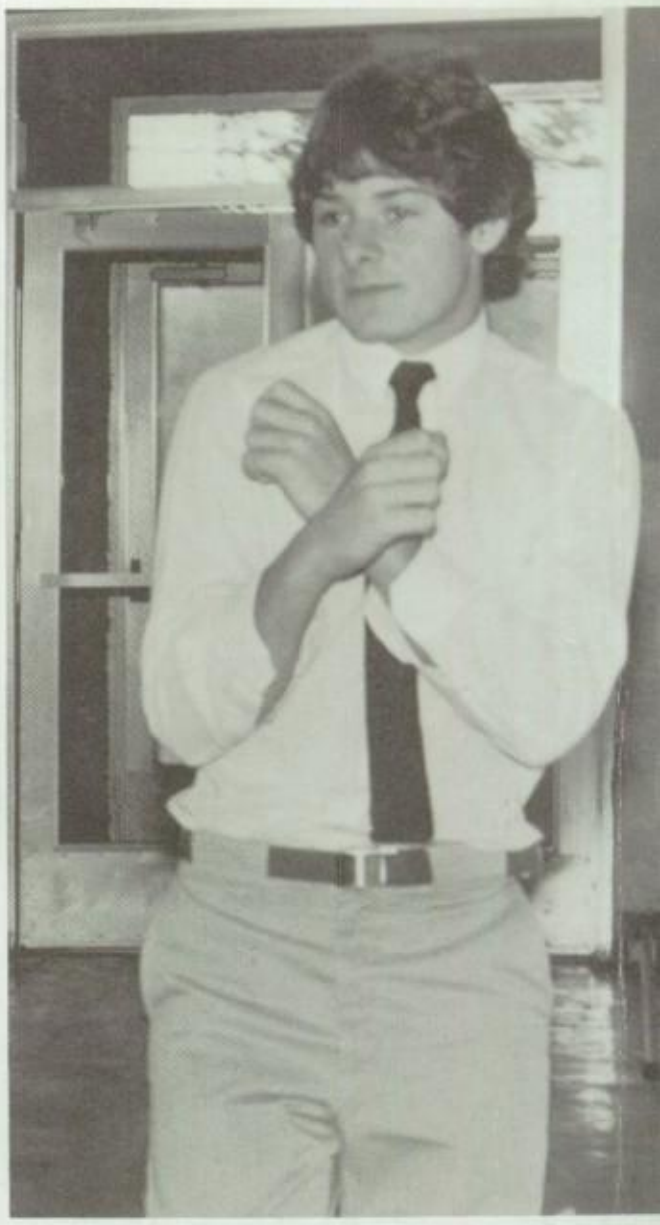
Ours is a city with a renowned and glorious past. While it is famous for its attractions, it is not cluttered with the less beautiful aspects of a big city. It is uniquely rich in culture, history, and modern attractions. Although it has a rich past, Saratoga is still a city on the move, with the construction of a Civic Center and the Flower Power project in full swing. Our city has become a part of us, and soon the class of 1984 will be making the next changes in Saratoga, in New York State, and around the world. We will make the world a more interesting, colorful, and better place.

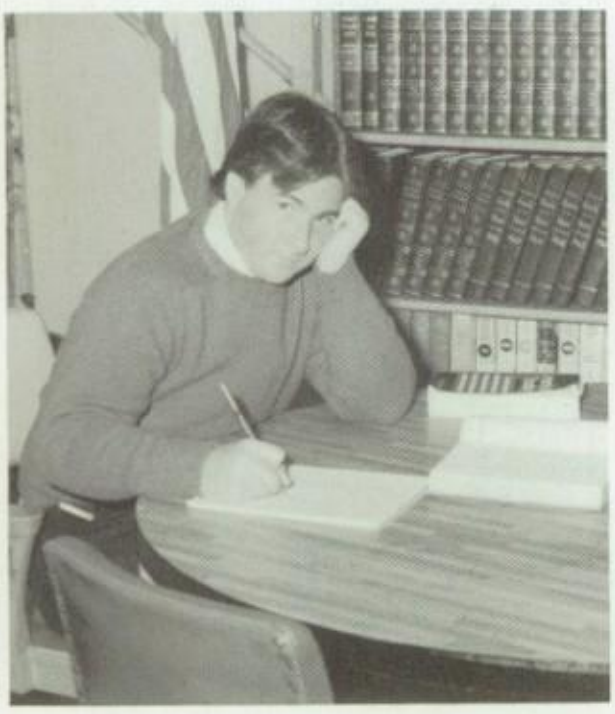
And I'll see ya at all the parties.

Love ya,
Ronda

READY TO MAKE

THE CHANGES





OF THE FUTURE

Rose,

I knew you in the beginning of the year only as one of the prettiest cheerleader for the Saints. As I got to know you better I found that you were the nicest friend a freshmen could have. You brightened up Paul's and it's life. Things around S.C.C. are'nt going to be the same without you. I really hope we can get together over the summer. I know Paul and I would enjoy seeing you. If you ever need a friend in the next 3 yrs. you know where to find me.

Love always

The Class of '84, having had so many people do so much for us these past four years, found it very difficult to single out one person for the dedication of this yearbook. Therefore, we would like to thank all those who have helped us in so many ways.

First we would like to thank our parents who have sacrificed over the years to send us to SCC. Then all those who have quietly worked behind the scene to help keep the school open. Also very much appreciated are the School Board for their continuing efforts; The Administration, Faculty and Clergy who have been our friends as well as our directors; The Athletic Association, who have been providing the sports opportunities that have helped our students grow; the Mothers' Club; the Alumni Association; Mrs. Carol Catone & the Bingo Teams; and last but not least, Mrs. Pompa and Mrs. Martin for their assistance on this yearbook. Without them, this book would not have become a reality.

TO ALL OF YOU
THIS BOOK IS DEDICATED TO YOU
WITH OUR MOST SINCERE THANKS

Rosemarie,
It's been nice knowing you, you're a real nice girl. Have a nice Summer
Love Ya

'83 PROM

The Junior-Senior Prom is not just a beautiful tradition, it is a tradition of beauty. In both instances, the S.C.C. prom was everything it should have been. The Canfield Casino, rich in history and beauty, was the sight of the 1983 prom where thirty-five couples danced the night away until retiring to their own private post-prom celebrations in the spirit of the "Just You and I" theme.

King Billy Brierly, Queen Veronica DeLancey and her court of Jackie Pompay, Cheryl Roberts, Maria Durban, and Christine Robbens were honored after the Grand March, but it was obvious that none could really be singled out from the group of lovely young ladies and handsome gentlemen. So it was the beauty and happiness of the couples themselves that really made the 1983 prom a night to remember, although the music of Canada and WGFM also were factors.

This year's play was not the kind of event that happens every year to the S.C.C.H.S. Drama Club.

In "It Happens Every Summer", Mrs. Defabio and a host of talented actors and actresses presented a romance, adding a new twist to their repertoire. The play was also marked by the debut of Mr. Hauprich as the Count Marcello diGiacomo, there to fill the need of someone with Italian charm and good looks. No less than thirty players — including thirteen seniors — performed a more complex presentation than has ever been seen in a drama club production.

The play was the story of a fashion magazine publishing office that, for one month each year, was run by several lucky young lady contest winners, the "sub-deb editors". These girls came from various backgrounds, not only to run the magazine, but also to experience a month of New York City life.

Stephanie Martin was Charity Barnes, a shy youngster who learned when to open her mouth. Theresa Genaro added a little make-up to her world and saw it through a whole new face. Flippy Wonder, Lisa Callucci, added a little sanity to her life, while Rebecca Burnham was the southern belle who took the northern men by storm. Finally, Julie Burnham was the sensible girl who really ran the magazine and helped photographer Tod Colbert, as portrayed by Chris Signor, discover himself.

In the end, everyone survived the month and benefitted from it, as the players did from the play. With everyone sharing the spotlight, it was the kind of experience that has made the S.C.C.H.S. Drama Club a long running hit.

NATIONAL HONOR SOCIETY

The National Honor Society has a strong tradition in our school and its members continue their fine work again this year.

Led by President Mark Snyder, the Honor Society, under the direction of Mrs. Schoebel, Mrs. Defabio and Mrs. Hall, will hold their annual bike-a-thon for the American Heart Association in memory of Mr. John Panek. Also continued will be the "Mikey D." bookstore, handed down to Bill Ryan, the new proprietor.

With the success of the bike-a-thon and the bookstore, as well as a Toys For Tots Christmas Program, the Honor Society continues to serve the school and the community.

YOUTH IN GOVERNMENT What Really Happened?

Youth in Government is an opportunity for High School Students to participate in the running of a government. It is also a trip to Albany and just what happens after sessions is as unclear as this photo of Jerry McNerney, a notorious carouser whose actions turned the town upside-down. "Out until four in the morning," said Jeffrey Crouth, just one of our shocked delegates. "Eating vinegar potato chips; pounding on the door at 2:30 A.M.; saying "C'mon guys, let me in." We were too afraid to open the door. Our delegates searched his suitcase and found nothing unusual except the fact that there was no toothbrush; only one pair of extra socks (they didn't match) and a Hebrew dictionary.

What's Jerry's story?

"I was working on my bill." We don't have the evidence to prove otherwise, so we can only speculate. C'mon Jerry, what happened?

"Have fun guys, hmmm"

Last year, The Saints' baseball team lost slightly more often than not, but they far surpassed their opponent in realizing the joy of playing ball. Led by Jack Picinich and pitching coach Bill Pope, the Saints beat powerful Bishop Skully twice (once on T.V.) and also won several other contests. Catchers John Swantek and Frank Baumgartner both hit well over .400 and each had fun. Captains Pete Clancy and Mike DiPaolo provided leadership and some timely hits. The pitching staff while composed entirely of underclassmen proved to perform admirably. Baumgartner, Steve Conners, Dave Speers, Larry Catone, Kevin Tripp, John Pompay, and Jim Simone were all unhittable on some pitches. The remainder of the offensive damage was done by Jeff Crouth, Alphonse Lambert, Bill Brierley, and Mike Harrison. The Saints fared well in forfeits, capturing 3 games from teams unable to play. The Saints particularly enjoyed a game in Whitehall which was rained out in the second inning.

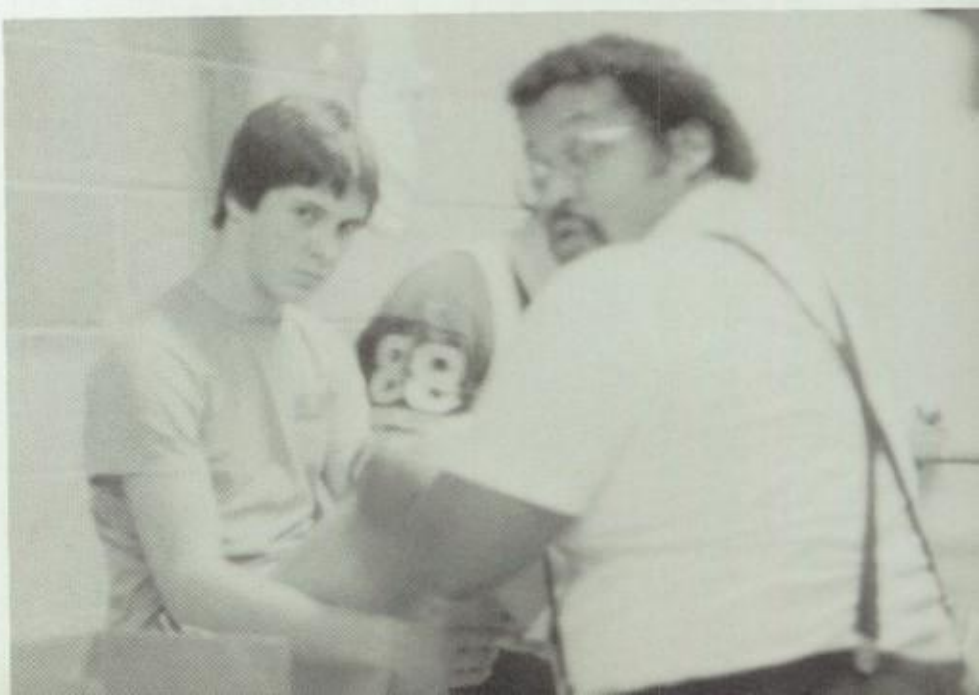
Already for next year, the experts are predicting more fun in the games to come.

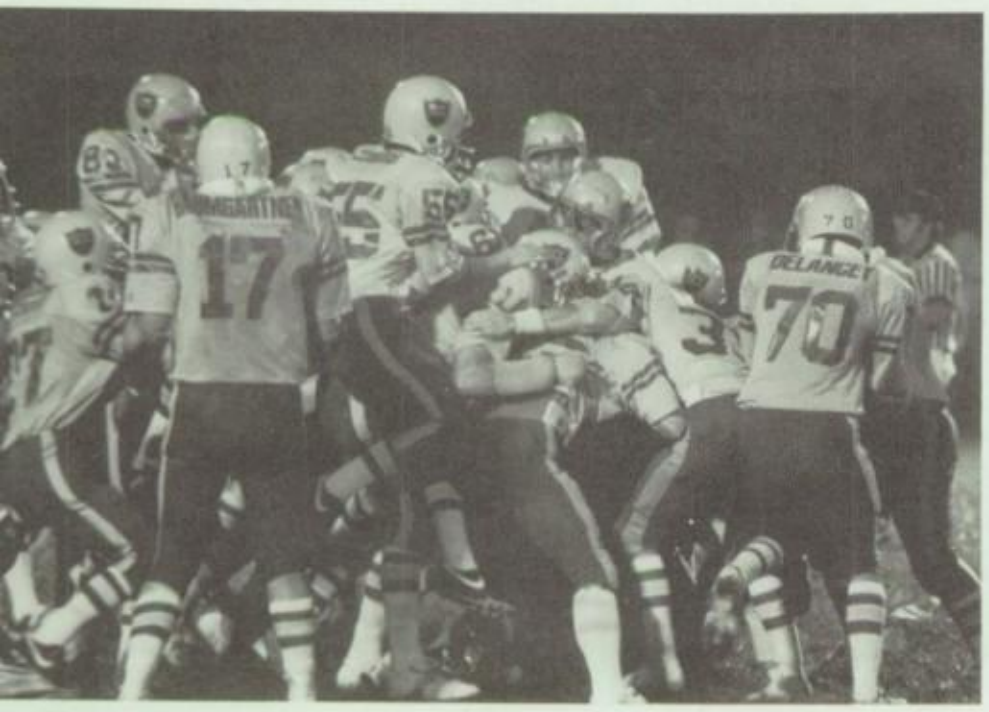
SOFTBALL 1983

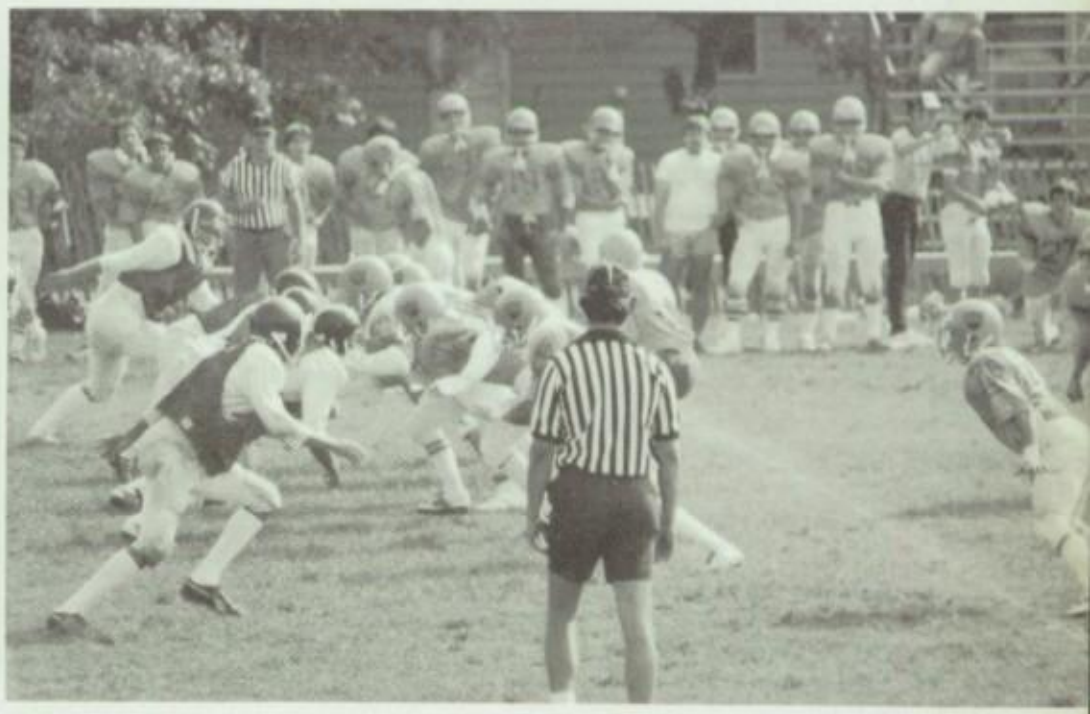
The 1983 Softball team finished their season with a 7-5 record. Having only lost two players, the Saints still had a strong defense in the infield and outfield. Offensively, this theory held true once again, with power hitters like Marybeth Whalen, Kristin Stapf, Jackie Pompay, Lori Dehn, Chris Robbens and Tara Collins. With the quickness of Tara, the Saints had produced not only many hit and run plays, but many runs early in the game. Defensively, the Saints were still very strong. With the best pitching in the league from Lori Dehn and relief Freshmen Dorothy Argus, the opponents were baffled. In the last game of the season Lori pitched a 25-0 game making that her first no-hitter in high school. Behind the plate was Mary Travor, who with each game showed more improvement and held a higher outlook for next season.

With the loss of many starting players the Saints continue to be optimistic. They are looking forward to returning players: Lori Dehn, Kristin Stapf, Maria Izzo, Katie Roohan, Mary Traver, Julie King, Lori Stapf, Gina Della-Porta, Julia Theisen, and some new Freshmen talent.

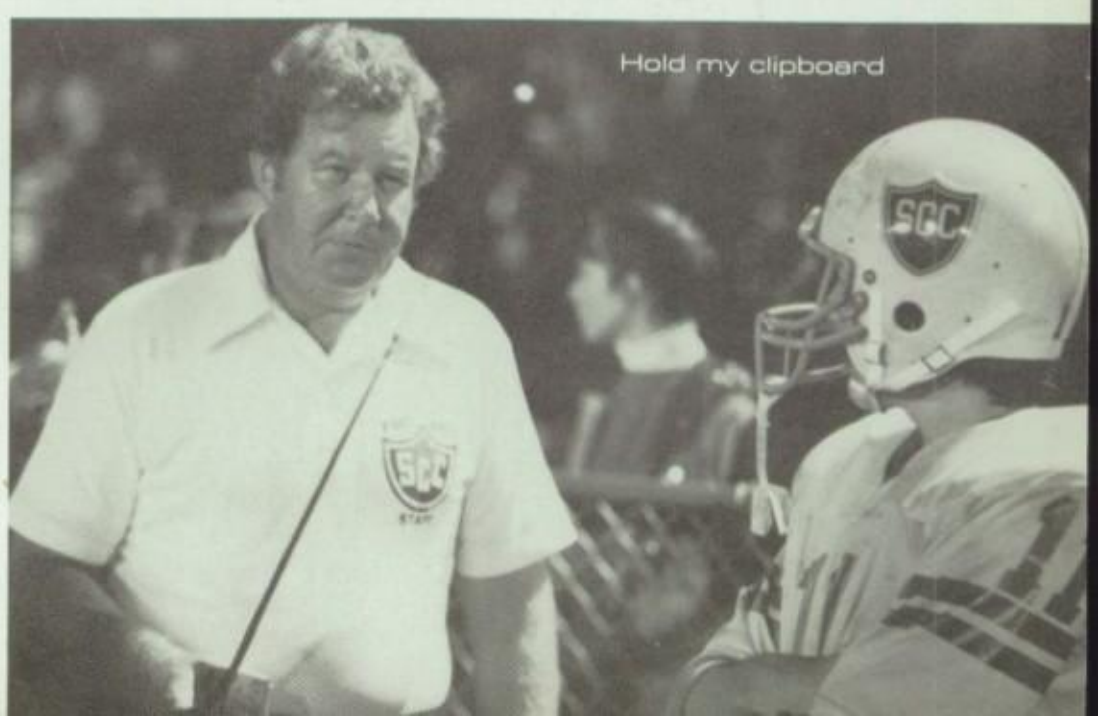
SAINTS VARSITY FOOTBALL 1983







The view from the blimp

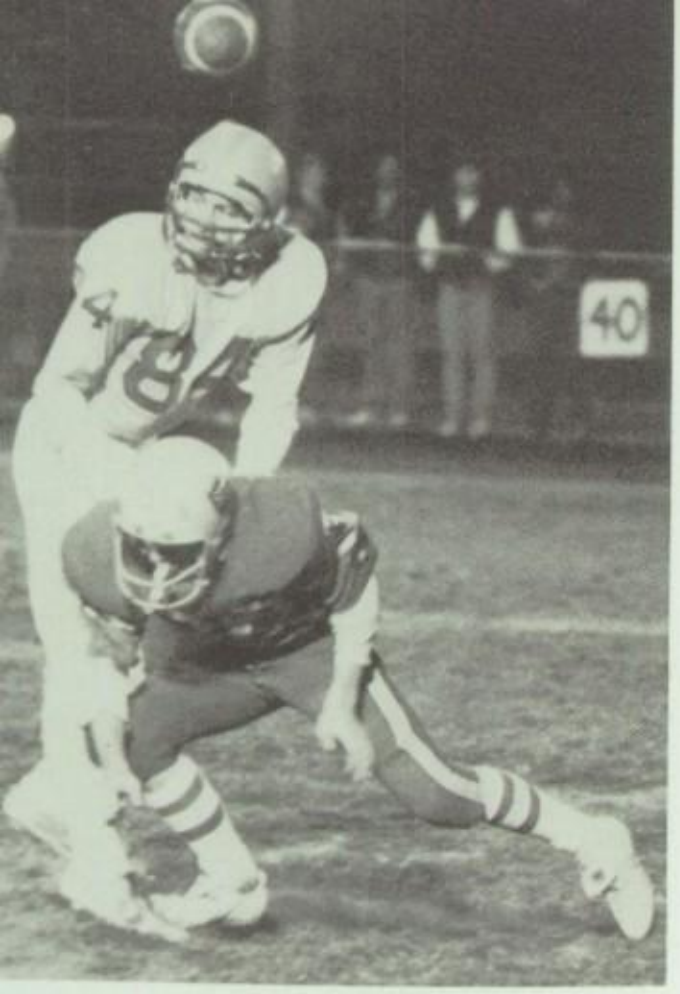


Hold my clipboard

The 1983 football season was characterized by three things: good rushing offense, good defense, and an unreasonably low number of points. The final 2-6-1 record did not reflect the fact that the Saints out-gained their opposition by over 300 yards on the season. Statistics will never show factors such as penalties, turnovers, poor field position, and a lack of team speed. These elements collectively nullified the efforts of what was generally regarded as an improved, competitive football team.

The strength of the Saints was their running game. The offensive line featuring All-Star center Matt Hansen, Bill Ryan, George Delancey, Mike Harrison, and Brian Godlewski opened gaping holes in enemy defense. Frank Baumgartner and Phonsey Lambert were the primary benefactors, gaining the bulk of the Saints' almost 1600 rushing yards. Quarterbacks Bob Clancy and Joe Dalton collaborated in running the option play when defense started to jam the middle. Pat Gormley blossomed as the primary pass receiver. Steve Ruhle provided depth in the line.

The defense was led once again by aggressive play on the corners. Halfbacks Bob Clancy and Phonsey Lambert were excellent forcemen. Defensive ends Bill Ryan and John Allen derailed many opposing backs. The strength of the middle consisted of nose guard Matt Hansen, tackle George Delancey, and ball hawking line backer Pat Gormley. Vinnie Pacello and Andy Zovistoski developed as secondary coverage people, while Mark Laurenzano, Bill Reynolds, and Jerry McNerney filled in capably on the defensive line.



Season Summary:

Mechanicville: The Saints' home opener was spoiled by the Red Raiders, an eventual Sectional Champion. The defense spearheaded by hard hitting Jeff Crouth (sack) and Pat Gormley (fumble recovery) limited the Raiders to just eight first downs.

Salem: Bad field position and lethargic offense spelled disaster for the Saints. Frank Baumgartner had 19 tackles and a sack from his linebacker slot. Chris Signor and Mark Traver are lost for the rest of the season.

Poultney: Frank Baumgartner (217 yards — school record) and Phonsey Lambert (94 yards) each scored touchdowns to lead the Saints to their first triumph. Defense gains laurels with goal line stand. The offensive line helps produce 320 rushing yards.

Luzerne: The Saints stage a defensive spectacular limiting the Eagles to just two first downs and 38 total yards. The offense moves the ball at will but stumbles six times inside the Luzerne "30". Disappointing result is a 0-0 tie.

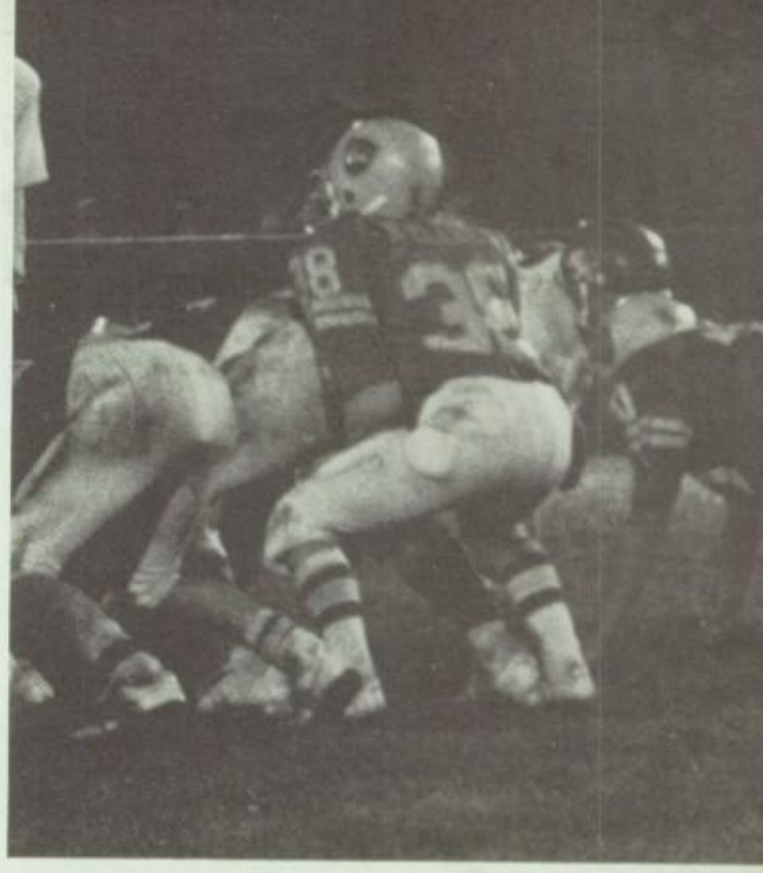
Fort Edward: A devastating block by Matt Hansen springs Frank Baumgartner on an electrifying 65 yard touchdown run. The offense became bogged down in enemy territory and faultered thereafter as the Forts prevailed by a 12-6 margin.

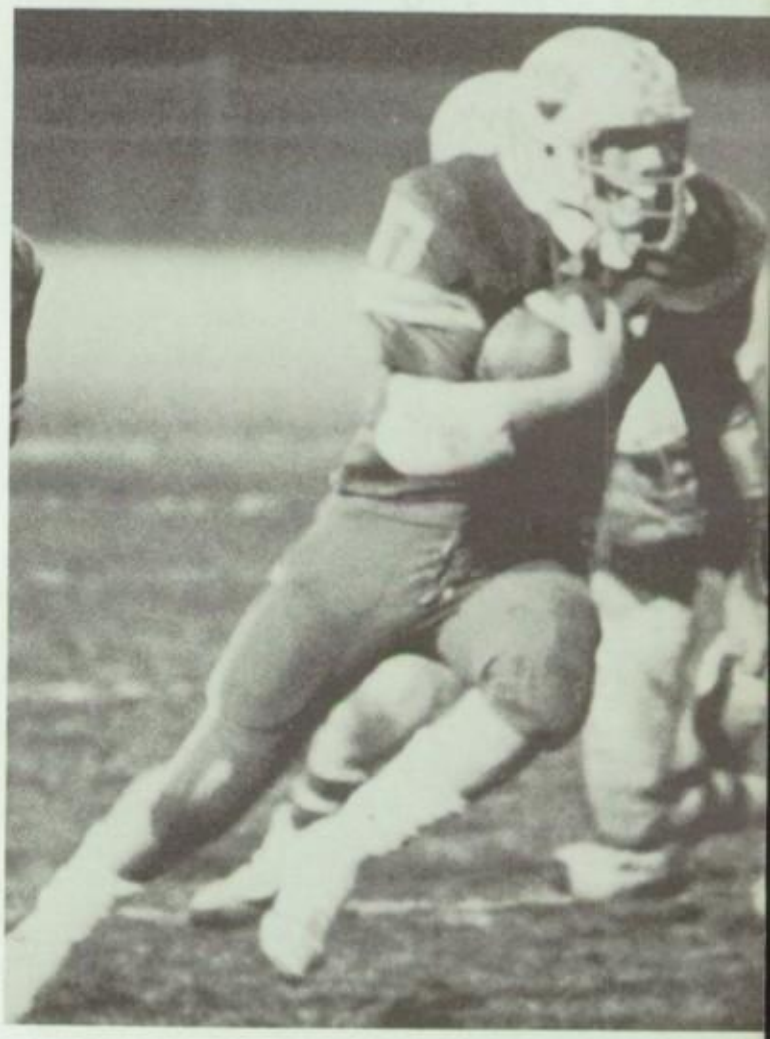
Warrensburg: Offense gets untracted in grilling Burgers 28-8. Frank Baumgartner (184 yards, 3 touchdowns) and a Bob Clancy touchdown pass to Joe Dalton provided the spark. Pat Gormley had the key catch in setting up the third touchdown. Bill Ryan's 8 tackles and Bob Clancy's fumble recovery keyed the defense.

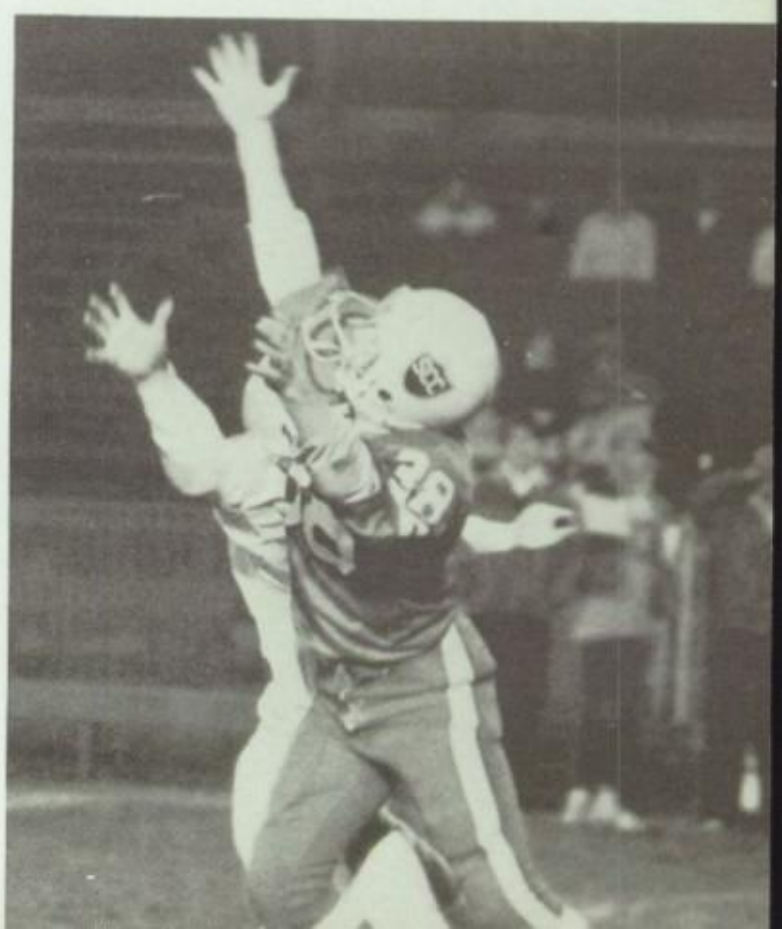
St. Mary's: It was Homecoming and the division title was on the line. These factors keyed a very hard hitting defensive game that was ultimately decided by two questionable blocking penalties that pushed the Saints away from the Kerries' goal. The score 6-0 ends in St. Mary's favor.

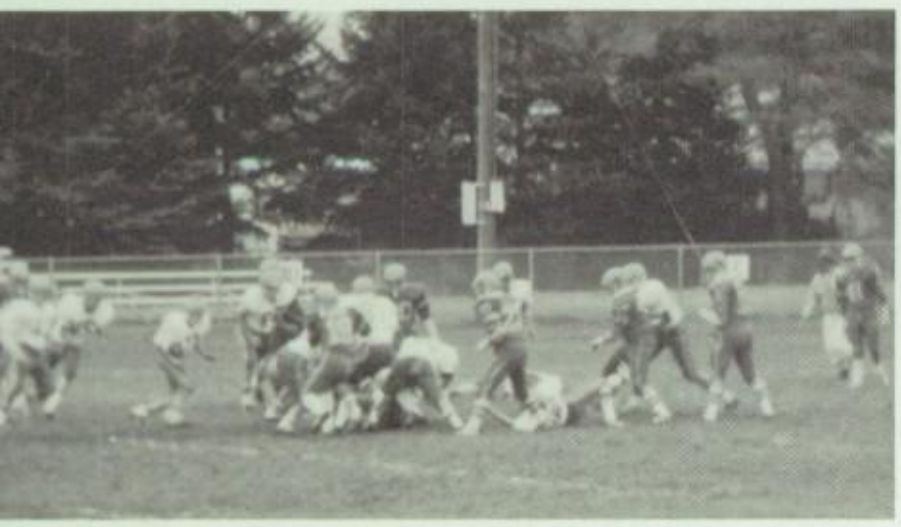
Stillwater: In closing minutes, the Saints really worked to tie Division III Champ Warriors at 6-6. Frank Baumgartner (130 yards, 1 touchdown) leads the comeback. Defense holds the explosive Jeff Collette to just 49 yards. Warrior defense wins the game in the final seconds as an interception is returned out for the winning touchdown.

Cambridge: An inspired group of Indians caught the weary Saints (just three days between games) and totally controlled the football. Pat Gormley and Bill Ryan each had 12 tackles to pace the defense. Baumgartner (110 yards, 1 touchdown) eclipsed the "1000 yard barrier" in finishing his season with 1096 rushing yards and seven touchdowns. Both marks are records for the S.C.C. era of football.









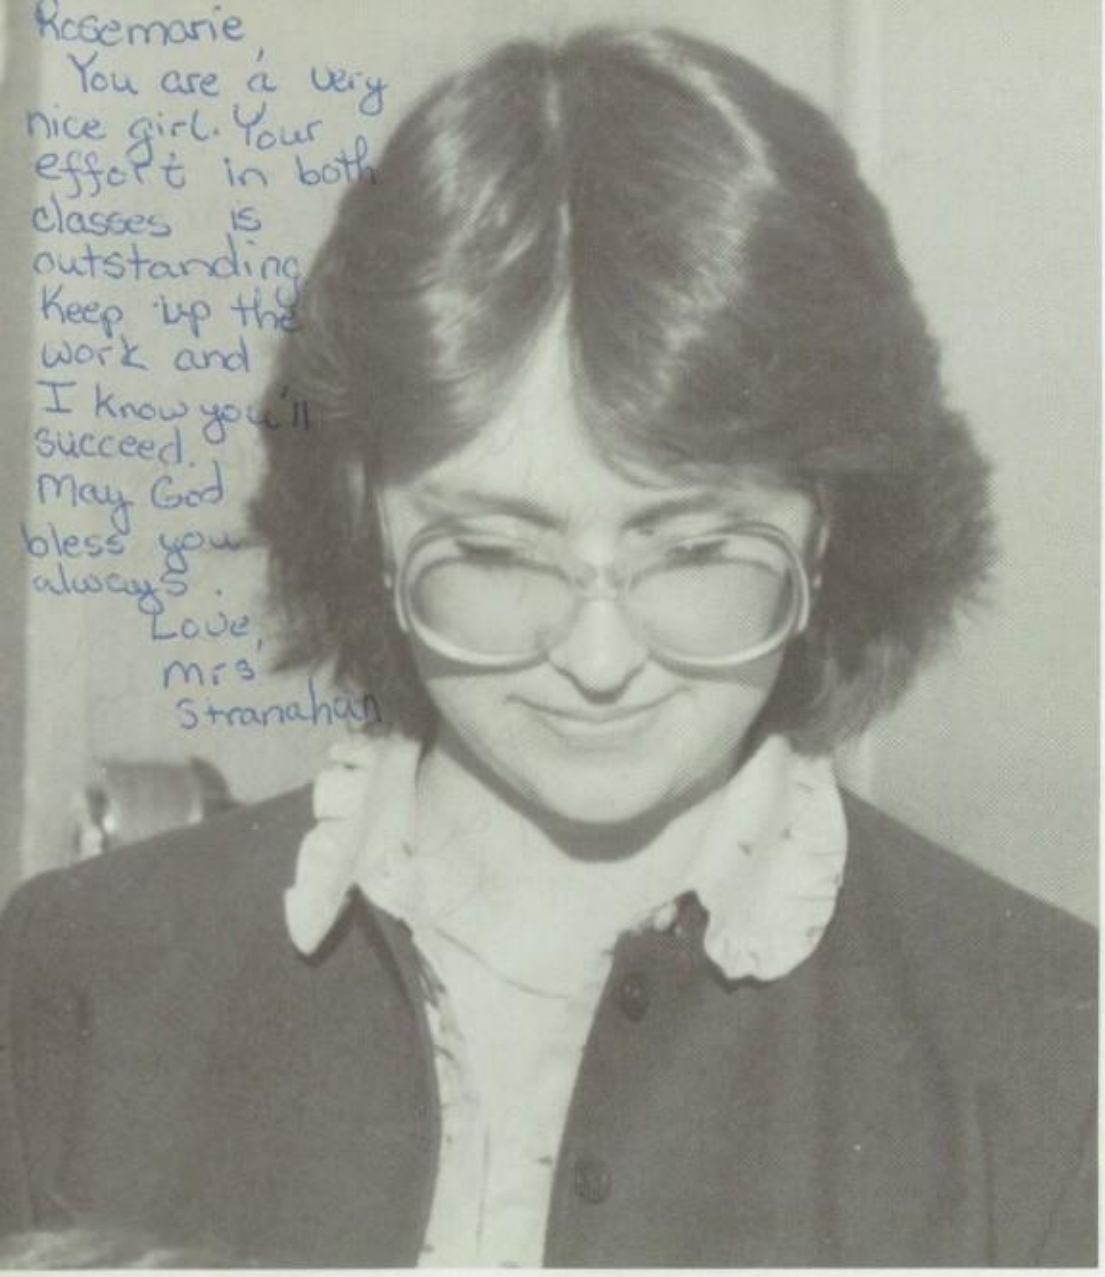
JV FOOTBALL

This year's Junior Varsity did not leave their mark in the league with their record, but rather with their hard-hitting style. Running backs Tim Pilgrim and Mike Zurlo lit fire to the offensive ground game, while quarterback Paul Hogan menaced the airways with passes to his receivers, Andy Ryan and Alan Hein. Anthony Crouth caught a few passes at his tight end position as he, linemen Tim Conners and Steve Ruhle blew gaping holes in opposing defensive lines. Freshmen Tivo Africa and Bob Catman also aided in the onslaught of rival defenses.

From the defensive standpoint, Mike Moore tied up the enemy airways, while freshman Kevin Kirby prevented ballcarriers from rounding the end. Other first year players, Eric Sifert and Paul Syzdek plugged up the defensive front with their burgeoning ability as linemen.

This Junior Varsity season can best be described as a learning experience, and much experience was gained by the large number of first year players. We look forward to the next few years when this young JV team matures into a respected Northern Conference organization.

VOLLEYBALL



Rosemarie,
You are a very nice girl. Your effort in both classes is outstanding. Keep up the work and I know you'll succeed.
May God bless you always.
Love,
Mrs Stranahan

Mrs. Stranahan is seen praying for another victory.

The 1983 Girls Volleyball Team ended their season with a 3-11 record. That may not seem like much, but it showed a great deal of improvement from the previous seasons. Having lost many starting players because of graduation, the Saints were in a rebuilding stage with some young talented players. Not only did the team have some new players, it also had a new coach, Mrs. Stranahan. Having a new coach added a little more pizazz to the team. Her driving technique was superb!! There were several outstanding Senior players. Kristin "Spike" Stapf was a superior asset to the team. Her serving was great but her real ability showed in defense plays. Patty Farone was also a tremendous asset to tricky defensive plays. Maria Izzo built her serve into an "ace". Her serves were a key asset to the team's 3 wins. Edith Müeller was another Senior player. Edith contributed international flair to the game: having come to us from Switzerland. Next year the team will once again rebuild, but will have Bernadette Donohue, Julia Theisen, Patty McNerney and Mary Traver, all experienced players, as the foundation.

GIRL'S BASKETBALL 1983-1984

Rose,
The past 4 years have been unforgettable and A.P.S.S. was even more. Hope you will be happy in the future and you know I know you will succeed in anything you do because you are a very determined person!
P.S. If you ever want to use my shirt just ask!
Your friend,
Macer

The conclusion of last season brought home a League Championship. It also brought on the graduation of many of those girls who played for the Saints. Thus, the 1983-84 season was "the year of rebuilding".

At the start of the season, the cycle of players had to be generated again. Hence, much of the team consisted of underclassmen. Young as they were, their determination to improve and enthusiasm to succeed, showed throughout the season.

The young talent was harnessed by Senior Guard Maria Izzo and Junior Forward Julie King. Their leadership on and off the court was the pivitol edge that the Girls' Basketball Program needed to begin "The year of rebuilding".

SAINTS BASKETBALL

This was a great year for Saints Basketball. Once again the Saints captured the Northern Conference Championship and reached their highest ever state ranking. Saints made it all the way to the Class CC finals before falling to Hoosick Falls at the Glens Falls Civic Center. The team was led by its five seniors this year. Dave Cherry and Rob Brierley repeated as members of the Dream Team while leading the Saints to a 22-2 record. Kevin Tripp led the team in SWATS, Shots With Altered Trajectories, and Chris Signor provided scoring punch all over the court while teaming with Frank Baumgartner to provide muscle under the boards. All five Seniors led the team in scoring at least once.

Also impressive were junior guards David Speers and Larry Catone and starting forward Chuck Simon, whose efforts promised that the Saints will continue to be a powerhouse in Section Basketball under Coach Bob King.

The Saints J.V. basketball team got off to a slow start but by press time they had quickened their pace and were running with the best that the Northern Conference had to offer. New coach Ed MacDermott has stressed the fundamentals to his young team and this has paid off well. The Saints captured second in their own Christmas tournament, falling just short of an upset of perennial J.V. powerhouse Ballston Spa. Late in the season, the Saints retained a shot at the J.V. title. The team was led by sophomore Matt Dalton and Juniors Jim Simone and John Pompay with Pompay earning a stint with the Varsity. The Saints also received strong play from Sophomores Jeff Smith, Rich Norton, Steve French, and Matt Skellie while Freshmen Jerry Niles, Dave Simon, and Dave Duval showed great promise.

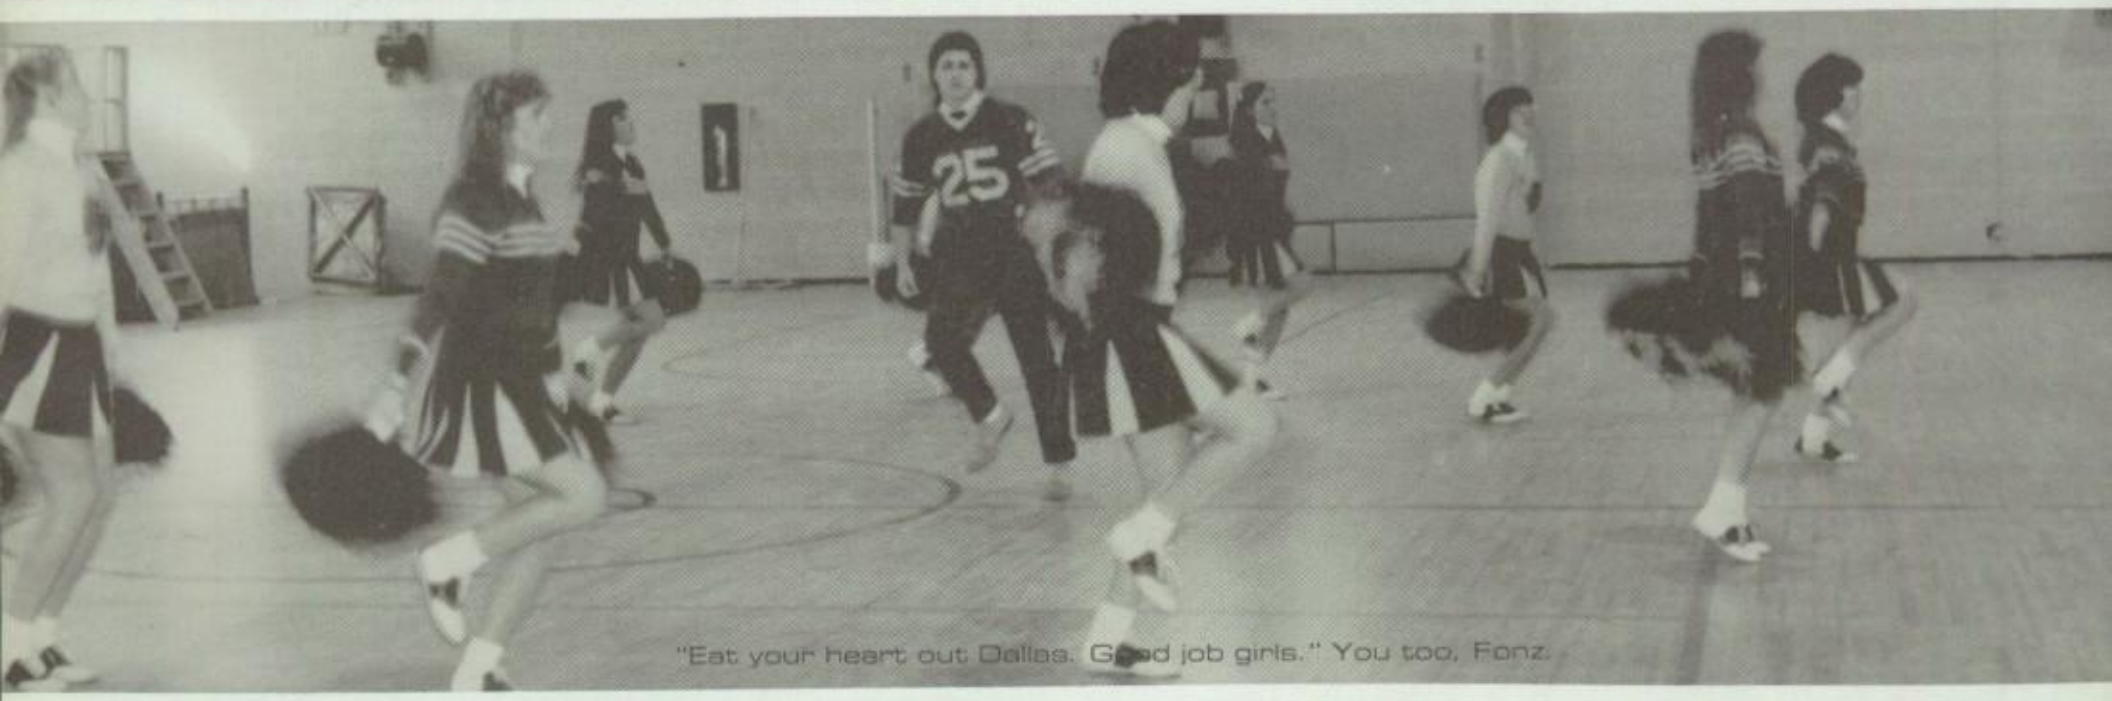
CROSS COUNTRY

This past September began a new sport at Spa Catholic — Cross Country. A small team consisting of only seven runners, The Saints surprised a lot of people (including themselves) with good ability and potential shown early in the season. This ability carried them on, though it was highly improbable that they could win a meet because of the incomplete team. However, the times showed a good deal of improvement in the end and the Saints will be a team to reckon with in the seasons to come. Thanks to Coach Colleen Sprague, the runners were able to discover their strengths and weaknesses — each had a specialty. The unsurmountable hills of Spa Park were no problem to Juniors Chris Nettleton and Grace Ruggeri, both of whom tackled them with ease. With good finishing sprints were John Pompay, another Junior; Rosey Burnham, a Sophomore and Kathleen Quinn, a Freshman who all knew the importance of finishing strong. And finish strong they did. Mike Peter, a Junior holding the Saints best time, was of utmost importance, especially in the meets where it seemed like no one could get ahead. Chris Guarnieri, another Freshman, kept a strong, steady pace throughout and showed a lot of potential for next season.

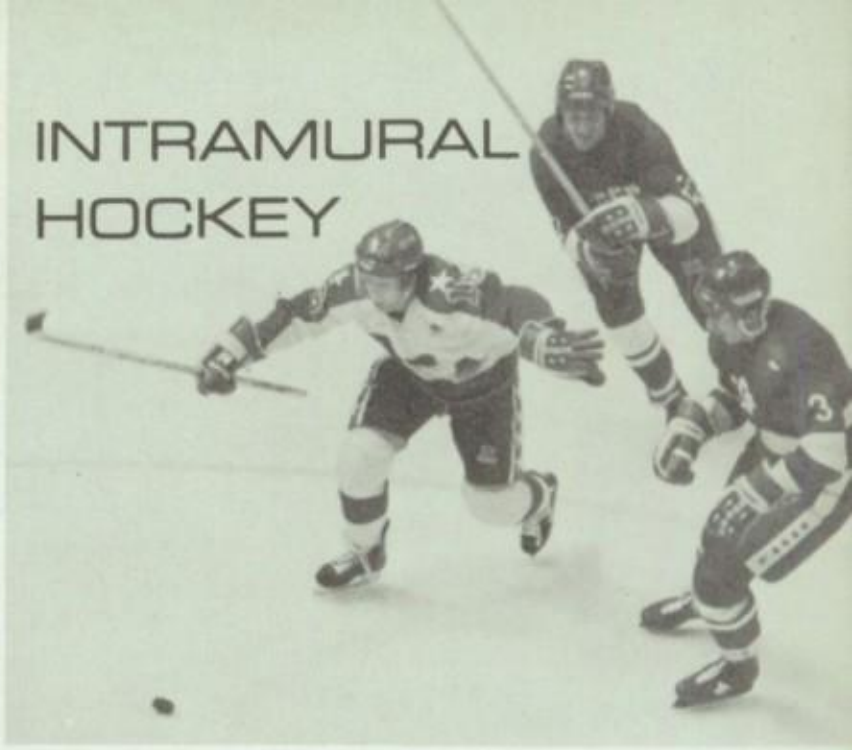
All in all, the runners had at least one thing in common — their spirit. This spirit kept them going, through the rain and the mud and the fartleks and the hills, to earn them the self-proclaimed title of **"The Elite Fleet of Feet."**

GOLF

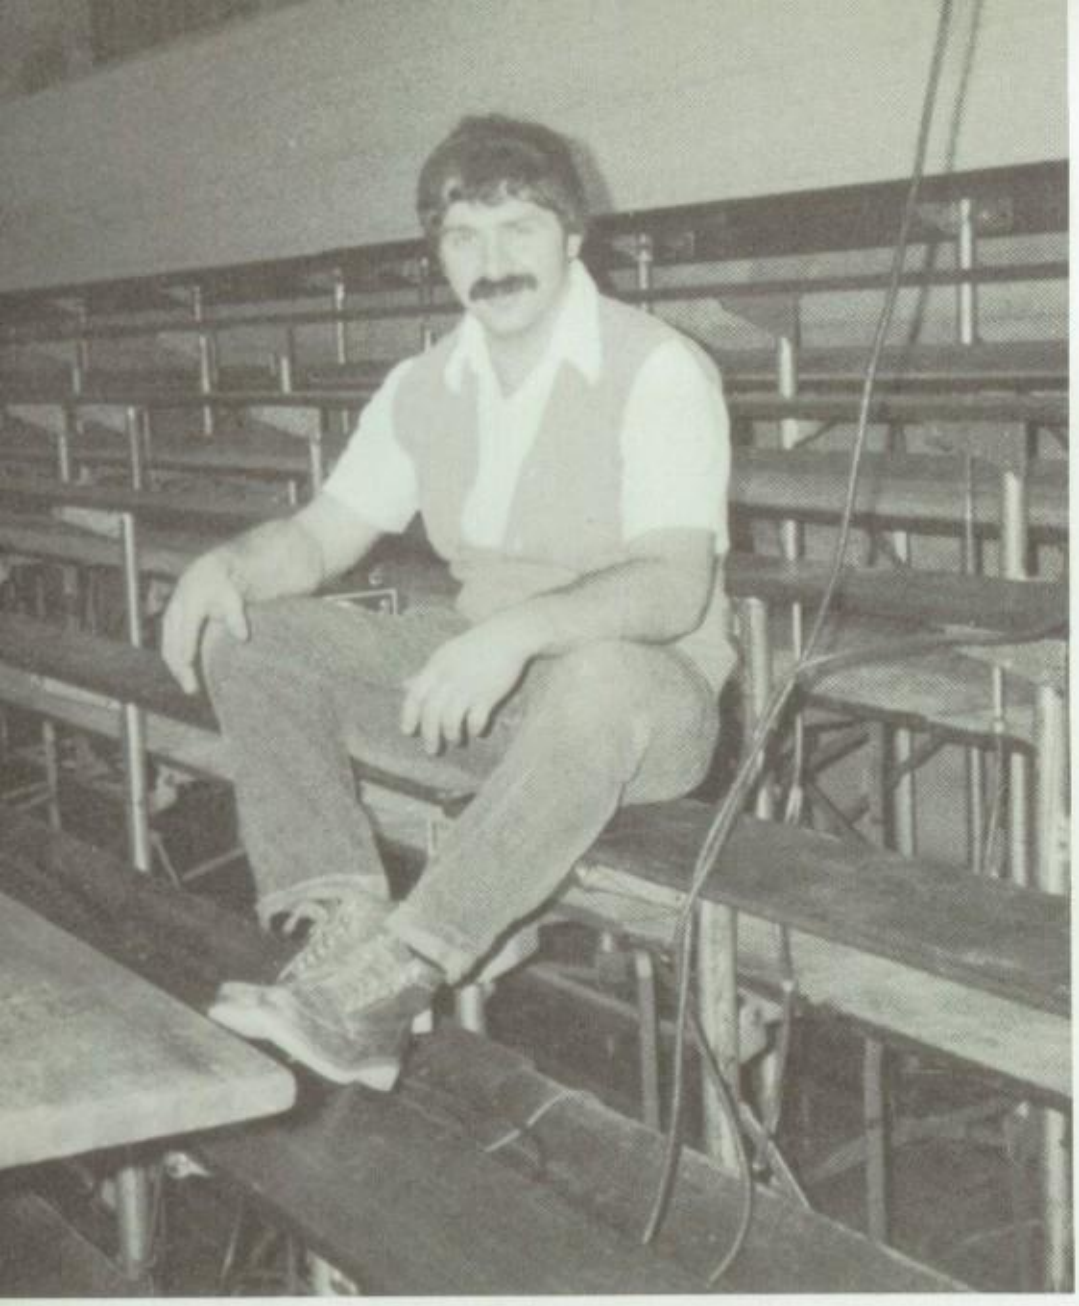
The 1983 Golf season started off with a bang as the Saints destroyed three golf carts en route to sweeping the Stillwater linksters. The team continued to flourish under mentors Father Jones and Mr. Drake, even though the Saints lost their golf cart licenses. Prominent for the Saints were John Craft, Dave Cherry, Kevin Tripp, Will Farnan, Steve Cherry, and Jim Simone. When Seniors Arnold Palmer and Lee Trevino were lost because of academic problems, reserves Shane Waters and Rich Norton performed well. Club cleaner Rob Brierley helped keep the Saints equipment ready as they battled their erstwhile opponents.



"Eat your heart out Dallas. Good job girls." You too, Fonz.



INTRAMURAL HOCKEY



The Class of '84 would like to thank the Athletic Association for their dedication to the sports program at SCC. Through the years, sports have been a focal point for school spirit. Without the silent hard work of these volunteers there would be no sports program at our school. The program is completely self-funded and it is by their efforts alone that our school has been able to field strong teams in several sports. When an SCC team wins a match, game or a league championship, the thanks and congratulations must first be given not to the players or coaches, but to these people who have made it all possible.

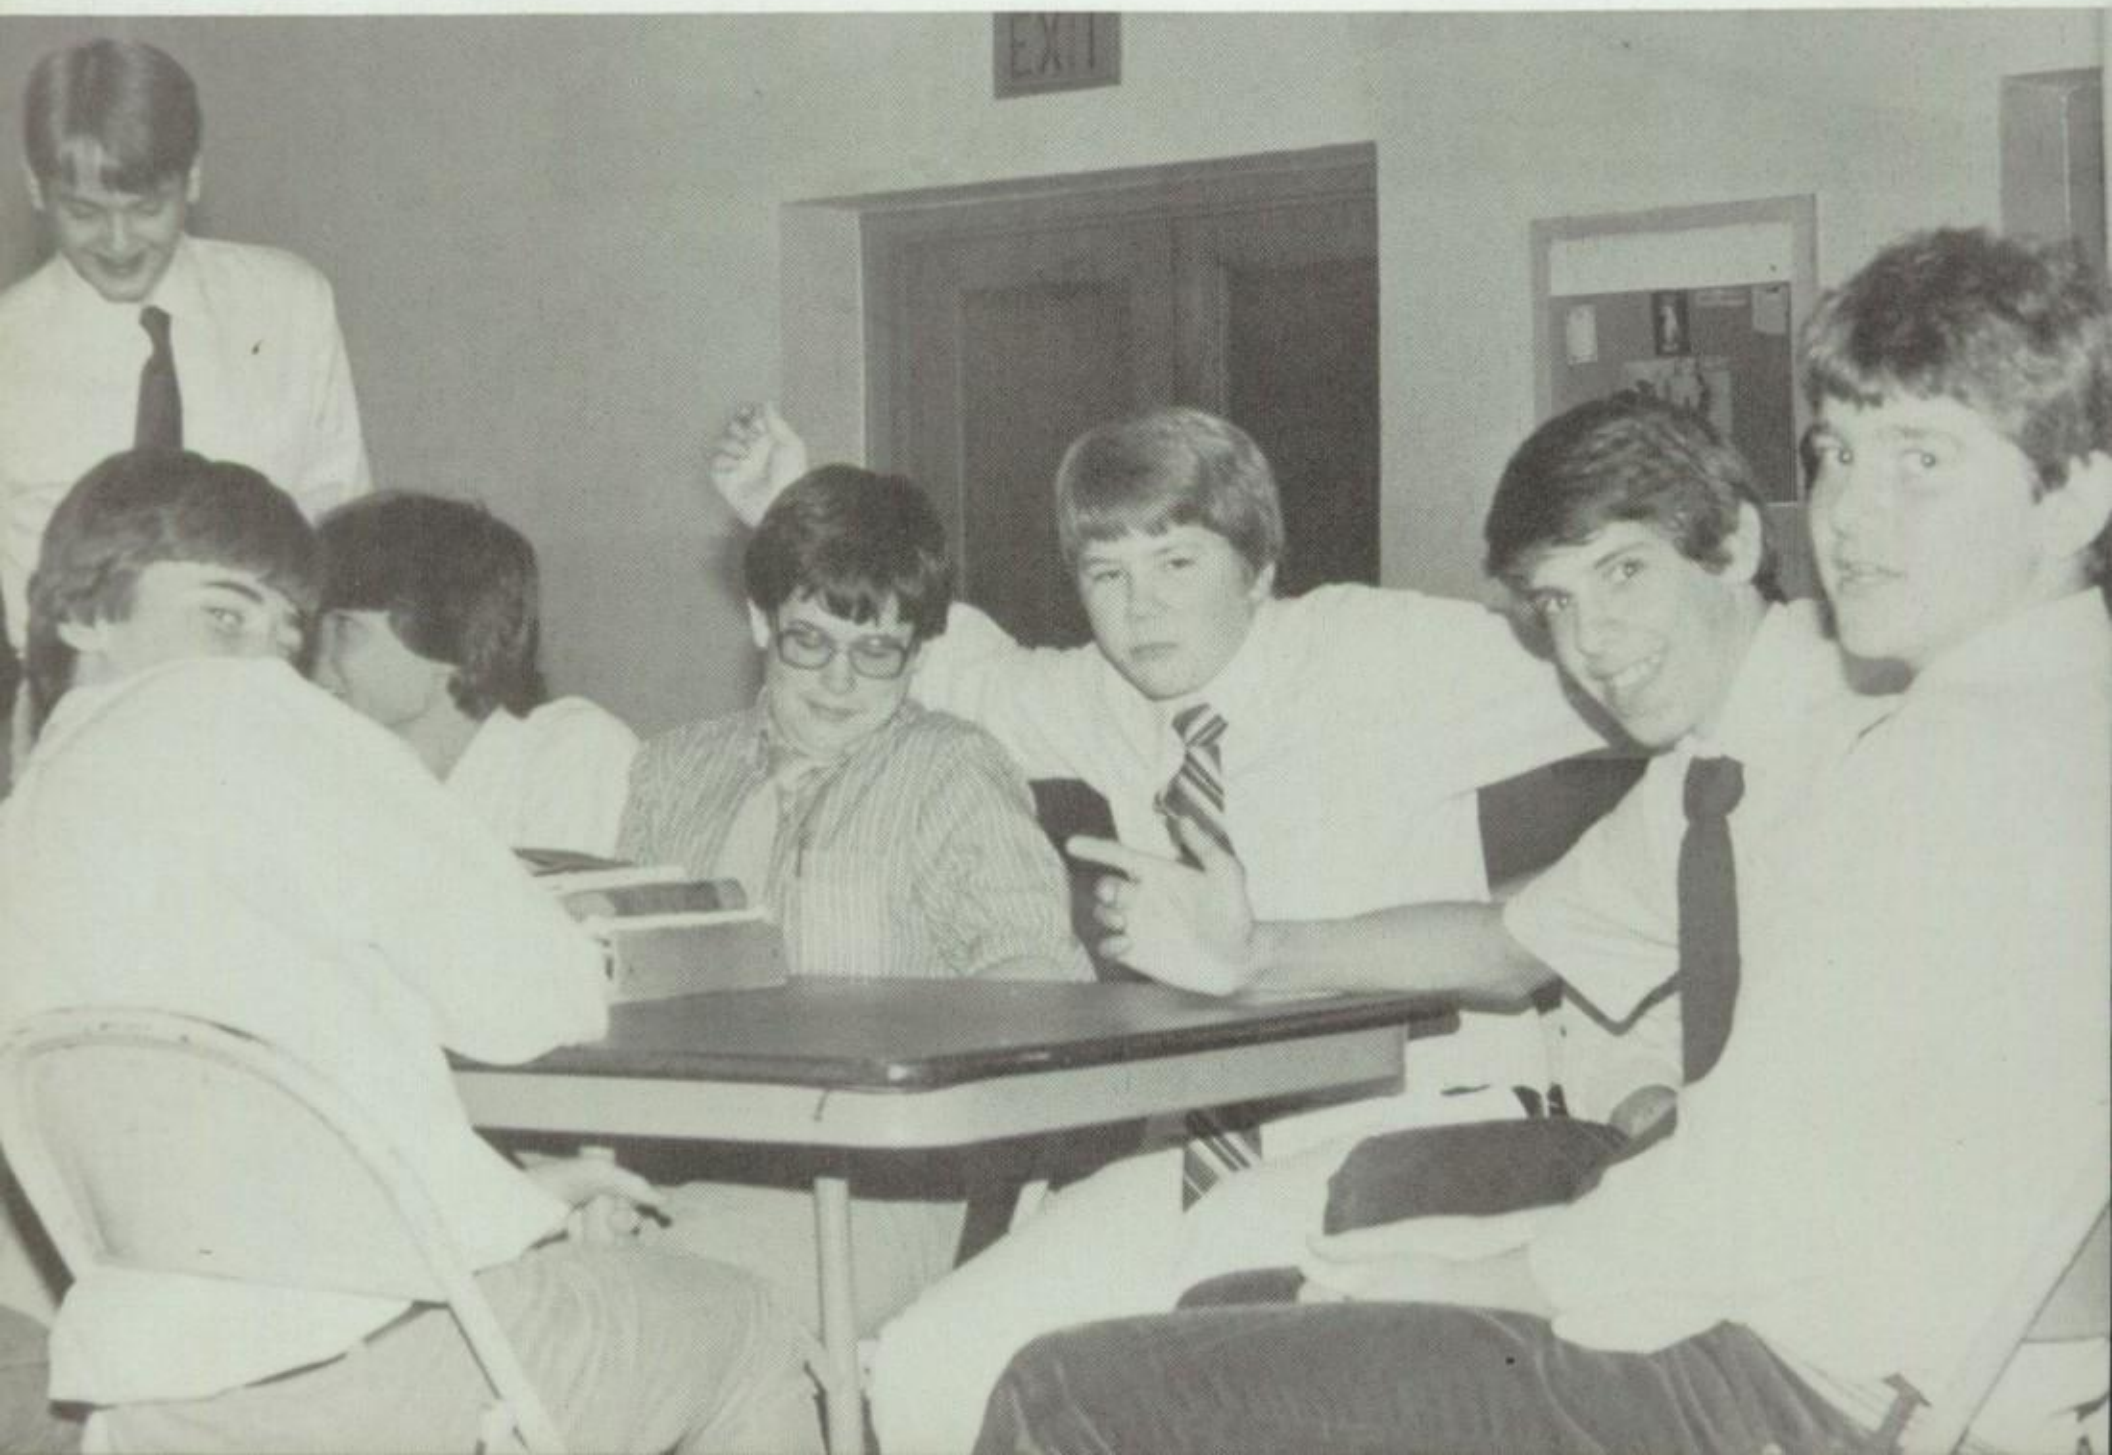
WELCOME FRESHMEN: COMPLIMENTS OF A FRIEND

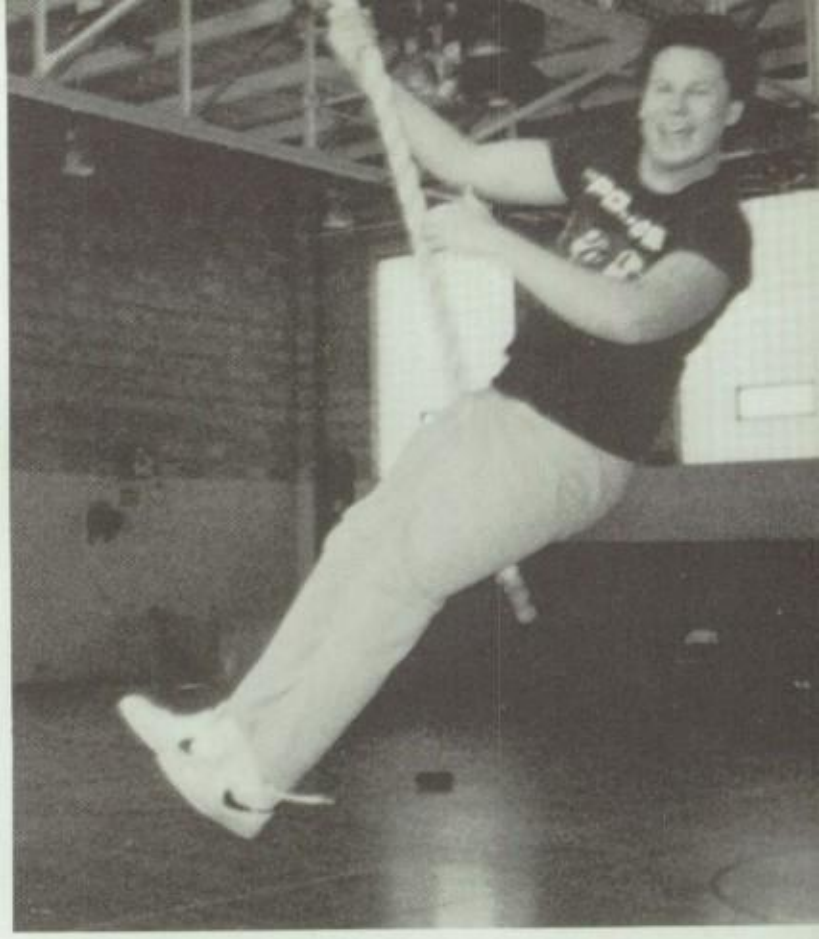
Tivo Africa is a Freshman with the potential to be a Senior in a few years. And that's not all you can expect from the guy who showed up on the first day of school with a Scooby-Doo lunchbox and a name tag that said "HELLO, MY NAME IS TIVO." Since that day, Tivo has made great strides. The name tag is gone and the lunchbox only makes an occasional appearance. And now Tivo has blossomed into the Ultimate Freshman. That's right. I asked Tivo how he was doing one day and he simply replied, "Better". I asked if there had been something wrong. "No, I'm just getting better all the time."

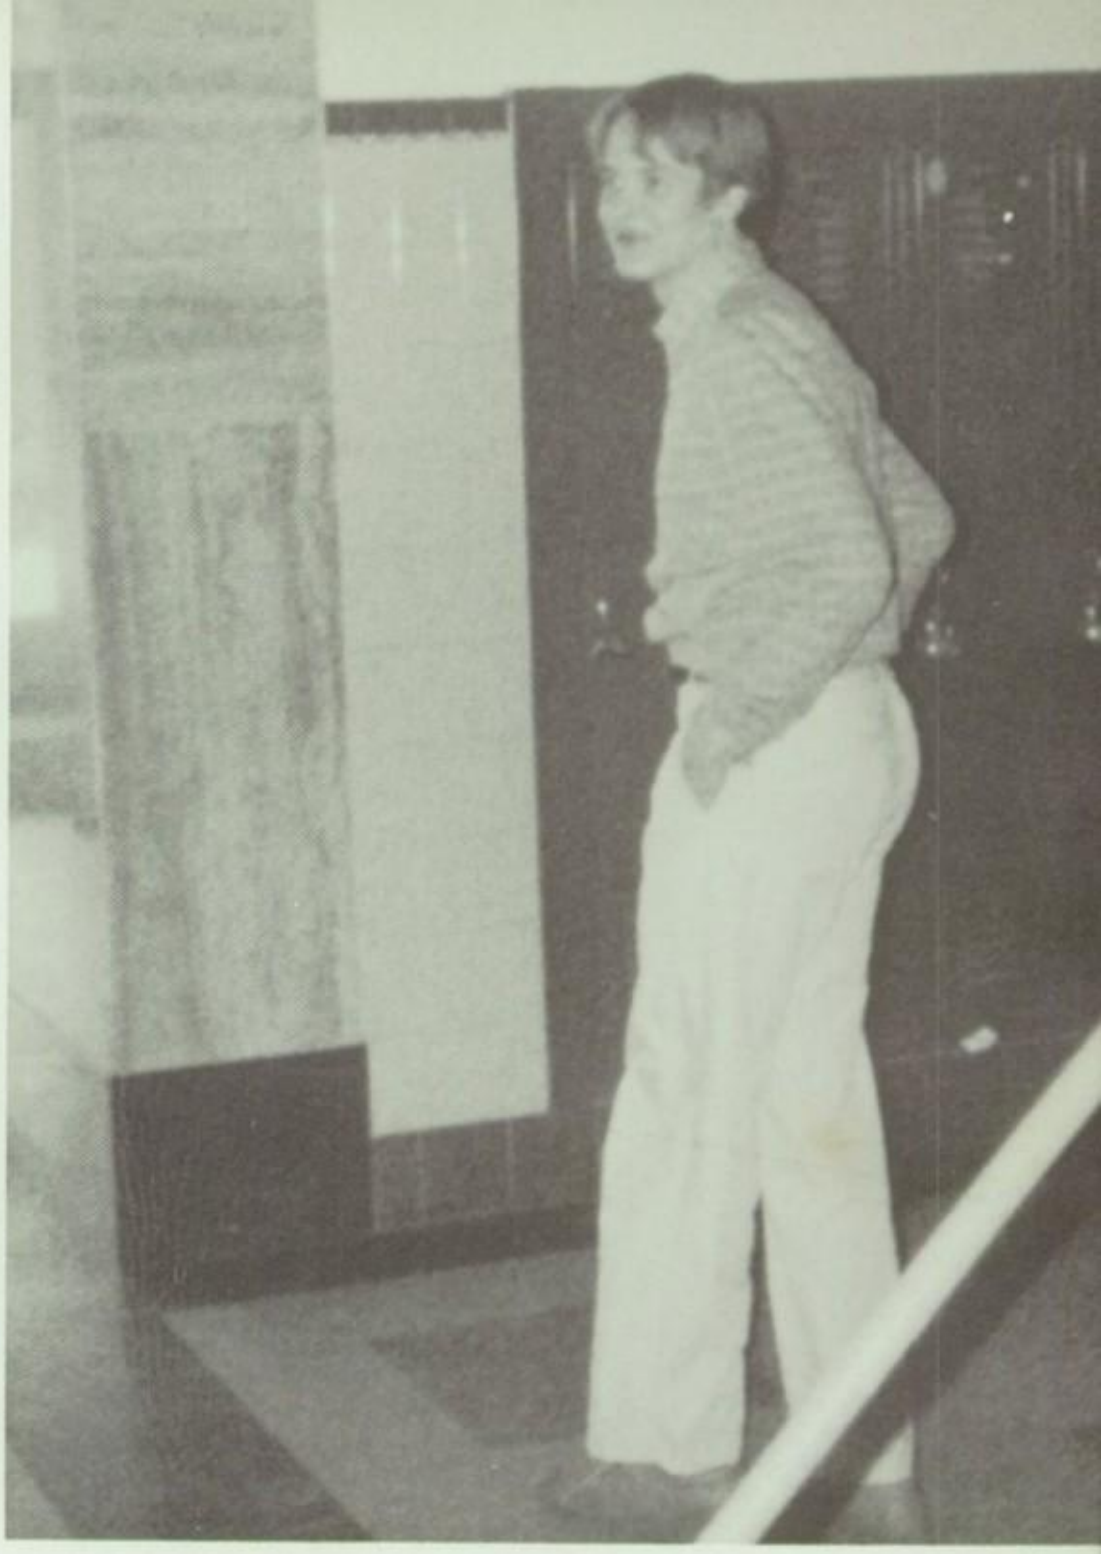
The other Freshmen sing, dance or fight at Tivo's request, for his entertainment. "These are my Freshmen."

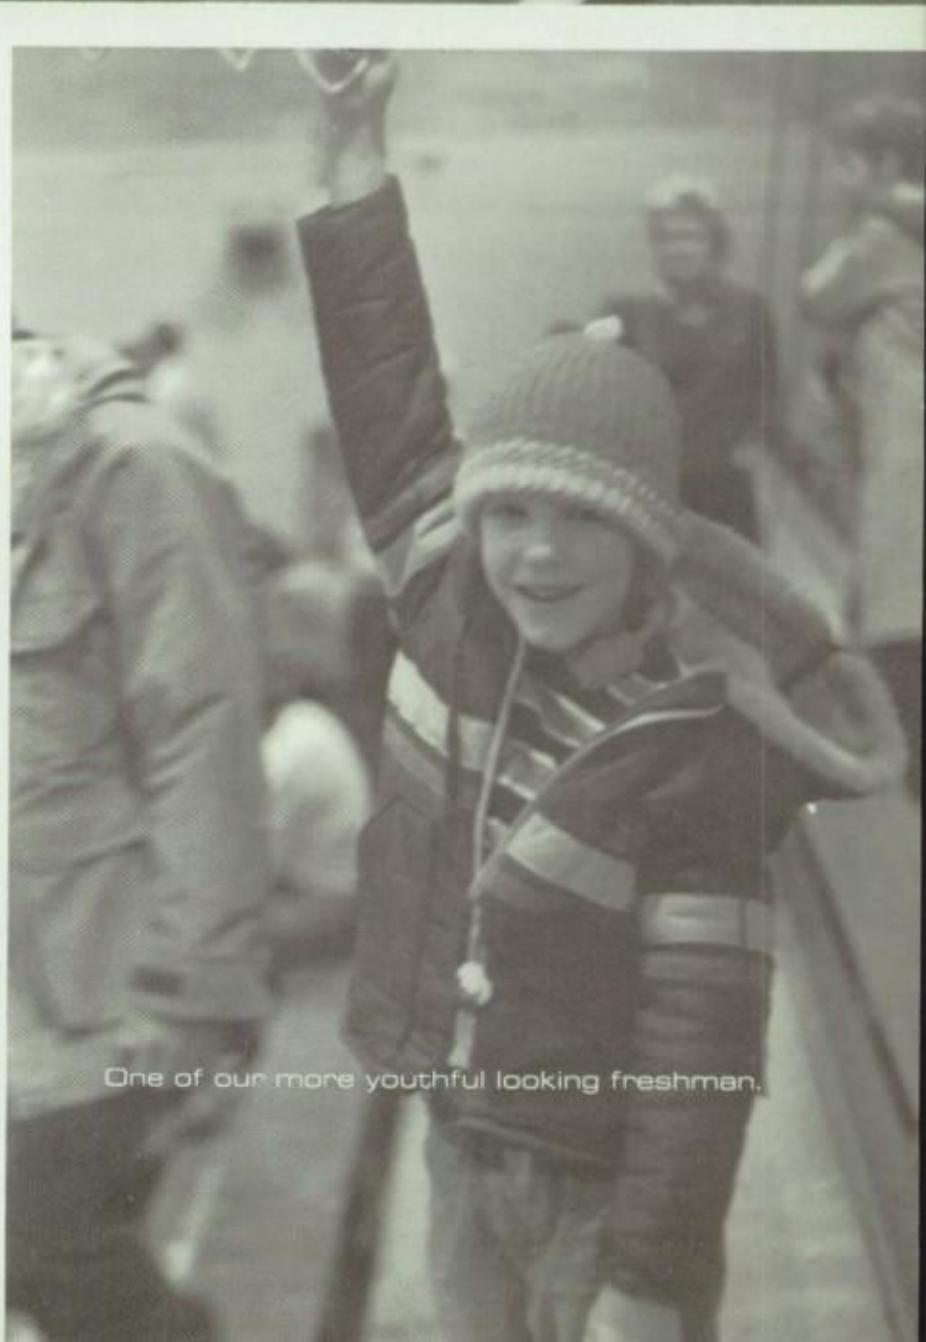
He is not, as some people thought, a transfer from the Dark Continent. He is the All-American Ultimate Freshman, wearing tube socks and doing all the things Freshmen do. "Next year," he said, "I hope to start a Tivo Fan Club."

And he'll only be a Sophomore.









One of our more youthful looking freshman.

The Gentleman Farmer

"I Don't Live on a Farm"

But he does read the Farmer's Almanac, his brother is a charter member of the Future Farmers of America, and when he's not watching the Smurfs, Tim Tyler is out chopping wood, certainly a rather countrified pastime. He admits that he lives in Galway, a town without even paved roads. "But I don't live on a farm. Not even a house with chickens in the yard." This is hard to believe. If you live in Galway, but you are not a farmer, then you must be a cow, or a goat, or something else of the sort. Tim is none of these things.

Whether he's a farmer or not, Tim Tyler is okay with us. It's just that not many people can go chickadee hunting in their backyards. But Tim Tyler can.

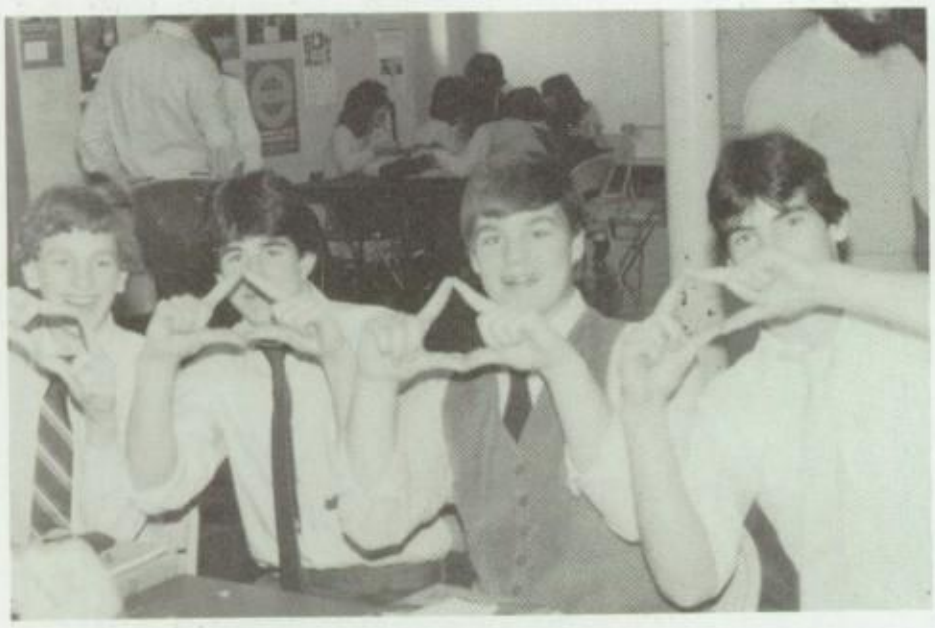
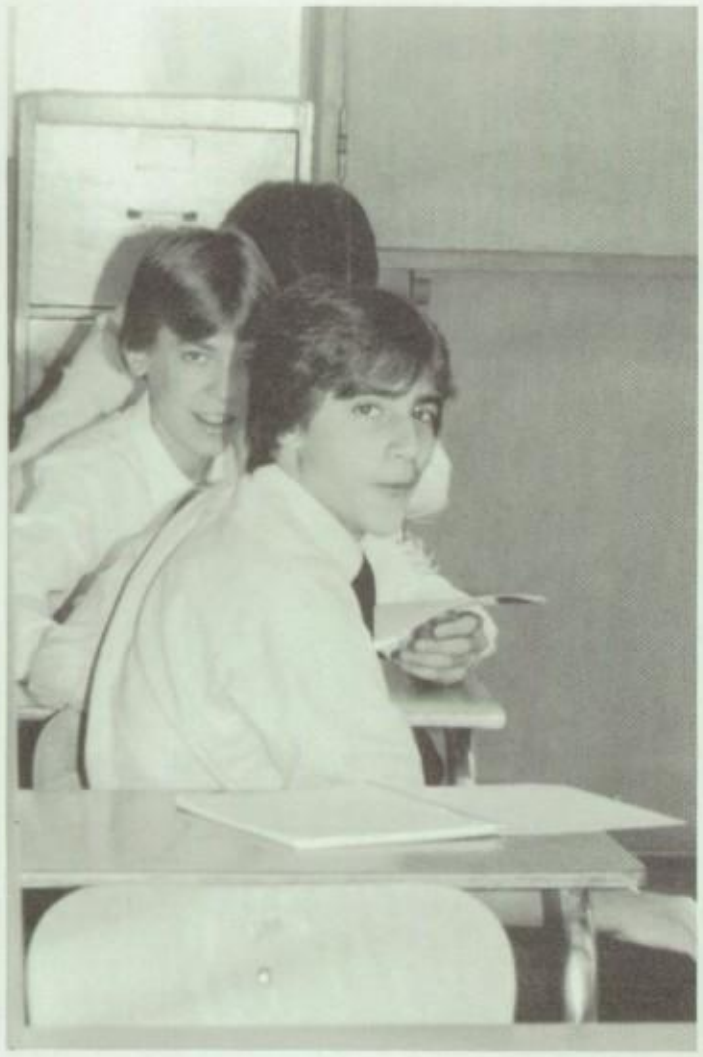
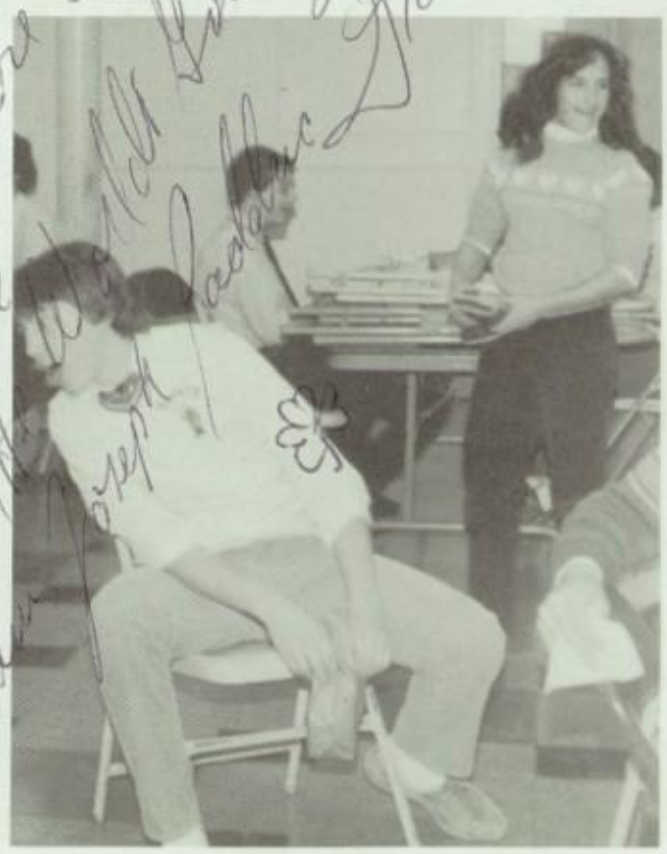
Anticipation and nervousness were especially prevalent at the 1983 Junior Ring Ceremony held at St. Clements' Church. A special mass was said by our own Father Jones and St. Clements' Father Bryan. Anxious Juniors were given their class rings by a chosen relative. All in all the proceedings went rather smoothly in spite of an occasional fumbled or dropped ring. The parents, (despite the hefty expense) were obviously proud to participate in the presentation of the class rings to the Class of '85.







The Man Who Can Do It All

Jim Simone doesn't want to grow up to be a doctor, a lawyer or a successful businessman. In fact, he doesn't want to grow up at all. Instead, Jim wants to join the circus, Barnum and Bailey or the Ballston Fair, it doesn't matter. "I can juggle kittens and milk cartons and I'm learning to do babies." When this gets old, he plans, through the use of steroids and a series of operations, to become the strong man, the bearded lady, the two legged horse, or any other sideshow attraction that may be needed. He could perform comedy routines with the infamous Triangle Gang.

If all these fail, he plans to be a brain surgeon, but we know that Jim Simone won't ever have to settle for second choice. He can do it all.

Roommate,
Well Miss Senior I hope you have a hell of summer and an even better life in college. I'm really glad we became good friends. Cheerleading and everything, Don't forget me and good luck, keep in touch. I'll miss you all you did!

Johnny Craft Fashionwear For Men

There's Calvin Klein. There's Sergeo Valente. There's Gloria Vanderbuilt. And at the head of the class is John Craft, The Stylemaster. Among others, he outfits Liberace, Ronald Reagan and Paul Tyler, all in a definitely male style. "We don't go for any of that Boy George Stuff." Right now, the "J.C." look is sweeping across the Middle East and several Third World Countries. John is shown at left modeling a tasteful sweater for the office and a jacket for the dapper look. We also see John in Conference with two of his fashion consultants. Right now he's working on a new line of clothing for Armed Servicemen and fashion minded Clergymen.

THE TRAINERS

ADMINISTRATION

Without an efficient administration, S.C.C. would not have the outstanding reputation it has today. Mr. Sutla, our Principal, is more than just Principal. As Principal he keeps the school running at maximum efficiency. This year he is also Senior Class Moderator. As Moderator he works with the Class organizing Graduation and Baccalaureate. He is also involved in the induction of students into the National Honor Society. Each year he organizes a Christmas party for the teachers and for the parents he has an annual "Open House". Assisting Mr. Sutla through all these affairs is his very friendly, efficient Secretary, Mrs. Elaine Murphy. Mrs. Murphy is responsible for all the paperwork for these events and is always there to lend a helping hand. Our Vice-Principal, Rev. Richard Jones enlightens the student body spiritually and academically as well as acting as a disciplinarian.

LANGUAGES

Students have the opportunity to be proficient not only in English, but also French and Spanish at S.C.C. Learning the culture as well as the language is stressed by Mrs. Hall and Miss Terry. Mrs. Hall teaches French 1, 2, & 3 along with Spanish 1. Miss Terry teaches French 1, 3 & 4 in addition to English 10. Mrs. DeFabio handles the remaining English classes and is head of our Drama Club. She also makes it possible for us to attend Student Spectrum.

Miss Traver

HEALTH & SCIENCES

As Science and Health become more important in pursuing careers, the education we receive from the above teachers is greatly appreciated. Miss Traver, a very dedicated, patient teacher has finally gotten a Physics Class with some intelligence. "People, it's a Yes or No question!" Miss Granetz, our Biology and Earth Science teacher, also tries very hard to drum into our skulls important skills which prepare us for college. Mr. Drake teaches us discipline even when we're allowed to have a good time. "One more word and I'll keep you after school!"

SOCIAL STUDIES AND RESOURCES

Mrs. Massiah, our Librarian, has been with us for several years. She's always willing to help the students should they need special material. Our Social Studies Department, under the direction of Mr. Kelly and Mr. Ostrowski teaches us the fundamentals of American and World History.

Mr. Ostrowski

MATH & BUSINESS

This year brought new teachers to S.C.C. in our Math & Business Dept. Mrs. Stranahan, the newest member of our Math Section, makes our Math courses as easy as 1, 2, 3. She graciously agreed to take on the job as Girl's Volleyball Coach along with her teaching duties. She joins Mr. Hauprich, who has been with us a number of years, as the other half of the Math Department. Mr. Hauprich, in addition to teaching Trig., A.P. Math and Math 9, is also Head Football Coach at S.C.C. The other new face is that of Mr. Gormley. Besides handling the Business Department, Mr. Gormley was Ass't. Football Coach and Girl's Basketball Coach.

These teachers are truly dedicated to the well being of their students.

A LITTLE EXTRA . . .

You know that it takes just "a little extra" to make the difference between a good restaurant and a really great restaurant.

Here at "Ye Olde Wishing Well", we provide all the "little extras" to insure you a great dinner.

- All fresh, homegrown vegetables in season.
- Homemade cornsticks and muffins
- Scrumptuous homemade desserts
- Friendly, attentive service
- An interesting Victorian decor, featuring antique furniture and accessories.
- And, of course, the sumptuous entrees that have made our slogan . . .

"ALL'S WELL THAT ENDS AT THE WELL."

CHOOSE THE ARMY AND TAKE YOUR CHOICES.

When it comes right down to it, the Army is an Army of choices.

You can choose the kind of training you want, from over 300 skills, many of them technical, many of them from civilian job applications.

If you qualify, you can choose to go into certain Army skills that offer you a cash bonus for making the choice.

You can choose to train in certain designated places. You can even choose a European Buddy enlistment. This means that from two to five people from the same town can train together and stay together for 12 months in Europe.

You can choose a skill that entitles you to participate in the Army College Fund.

You can choose to enlist for only two years, in some skills.

Check out how many choices you can make. See your Army Recruiter.

Call Staff Sergeant J.C. Williams at 587-5216. Or stop by the Army Recruiting Station, Gaslight Square, S. Broadway, Saratoga.

ARMY. BE ALL YOU CAN BE.

"Skippy"

A very special Thank You to all our outside supporters; Mr. Sutla; the Teachers; The Editors & Staff; Mrs. Gary Martin; Mr. John Conners; Steve Conners; Pat Gormley; Stephanie Martin & her friend "Ollie"; Mr. Jim Simmonds; my sister-in-law, Noreen, who fills in for me when I'm out of the office and most of all — my husband, Nelson, for his patience, love and understanding when I volunteer my time.
You're all great!

Agnes Pompa
1984 "Veritas" Advisor

Rose,
I've got a lot of good memories of the school and us and I hope you do too. Good luck and be happy.
Love,
Steve

I hope that this yearbook is one that you can all enjoy both now and in the future. In it, we have tried to bring you our humor; as many pictures as possible and capture the spirit of the school, particularly that of the students.

From initiation to graduation, we have learned as much about ourselves as about academics. We have grown a great deal. We will not forget each other easily, nor will we, the Seniors, find it easy to leave behind the friends and good times we have had at SCC.

We are proud of this yearbook and the accomplishments of the entire staff.

I hope this book will be one way for all of us to remember the way things were.

Steve Conners
"Veritas" Co-Editor

ROSE,

All the years we've been in classes together and we still don't really know each other really well. It's too bad we couldn't have become better friends. whenever I think of you I'll also be reminded of our Math classes with Mrs. Weigand. Well I hope to see you again over the summer at SPAC. Good luck in college.

Love
Melanie

ROSE,

Your one of the Greatest Girls Ive known, It was a lot of fun getting to know you I hope to see you At SPAC. Im Going to miss You

lots of love
